

Weigh the Evidence

- ⇒ Can we trust the Bible we have today?
- ⇒ Can Christianity be proven?
- ⇒ Was Jesus more than just a good teacher?

This course is an introduction to the study of Apologetics through a step-by-step approach through well documented evidence. Topics include: The empty tomb, existence and complexity of creation, historical prophecy, messianic prophecy, reliability of Biblical documents and much more. Learn to defend your faith against and become an effective witness.

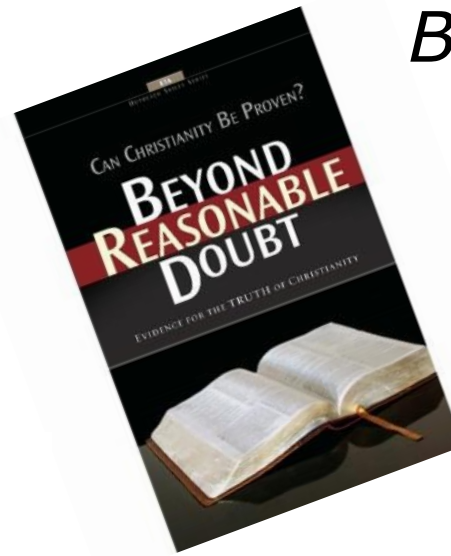

Examine the evidence yourself: the empty tomb, the eyewitnesses, creation, prophecy, Christ, Scripture, biblical documents, archaeology, and changed lives.

Class starts 2/21/2023.
